

The Netherlands is famous for its delicious cheese.

The milk for the cheese comes from cows.

Some farmers wear wooden clogs. These keep their feet nice and dry when walking through the wet fields.

Amsterdam is the capital of the Netherlands. At the famous Rijksmuseum you can see Rembrandt's painting The Night Watch.

At the National Maritime Museum (het Scheepvaartmuseum) you can learn about the last 500 years of Dutch maritime history.

You can even see a replica of an ancient tall ship.
